

2004 SUTTON MASTER PLAN POPULATION AND ECONOMICS CHAPTER

MEETING SUMMARY MARCH 18, 2004 SUBCOMMITTEE MEETING 2:00 PM TOWN HALL

1. Introductions and Attendance

Dave White (Planning Board), and Rebecca Voegele (CNHRPC)

2. Meeting Summary

Dave and Rebecca briefly reviewed the summary from the last meeting.

3. Review of Population and Economics Chapter

The chapter was reviewed page by page for this meeting. Some changes were made to make the data easier to read and definitions were added where needed. Ellie, from the Town Office also looked at the chapter and made suggestions that will be incorporated into the final document. Dave agreed to write the chapter summary and email it to Rebecca. At this time the chapter is in its final stage, as it is a data chapter not needing recommendations.

4. Other Item for Discussion

Due to the nature of the chapter (data only), Dave and Rebecca agreed that future meetings were not needed as all information had been gathered. The committee was very small, so the chapter will be emailed (to Dave) for final checks and finishing remarks can be made via email.
